The Chairman, Municipal Council,
Mangalore.

Sir,

Sub : TRAVELLING ALLOWANCE-Municipal Health Officer-payment of T.A.bills for the journeys performed to Municipal Trenching ground at Mudushedde beyond five miles-general sanction-requested.

The Municipal Trenching ground at Mudushedde is about 7 miles away from this town. The payment of T.A.bills claimed by the Municipal Health Officer as permissible under the T. A. Rules for the journeys performed by him for the inspection of the above trenching ground every month on an average about 4 times are being delayed as the same could not be paid without the specific higher sanction from the competent authority. The payments made previously with the sanction of the council have been objected to in audit in the absence of specific higher sanction for the same. The District Inspector of Local Fund Accounts, South Kanara has informed that there is no objection in audit to obtaining a general sanction from the competent authority for the performances of the journeys referred to and payment made.

I request that Government may be pleased to accord general sanction for the above payments.
